ROOM TO BREATHE

One shelf. Your favorite things.

Plan a small display with what you own before buying organizers.

01 MEASURE YOUR EXISTING SHELF

Usable width _____ Usable depth _____ Clear height _____

Use one unit: cm / inches. Include shelf edges, obstructions and handling room.

02 CHOOSE WHAT YOU WANT TO SEE

My small collection / theme

_____

Favorite 1 _____ Favorite 2 _____ Favorite 3 _____

03 SKETCH THE FRONT VIEW

Planning grid only - not to scale. Leave room to lift, clean and enjoy each item.

04 GIVE THE REST ONE HOME

Rotation box / existing storage location _____ Next review date _____

Wrap delicate items appropriately. Avoid overloading a shelf or stacking unstable pieces.

05 CHECK BEFORE YOU BUY

- ☐ I tried the arrangement with my existing objects first.
- ☐ I checked shelf stability, load instructions and safe placement.
- ☐ I measured the full outside size of any box, including handles and lid.

Compare box dimensions with our free size checker:
